

带开关系列过载保护器

81 系列

Description

- Single pole
- 2 or 3 position
- .25tab or solder lug
- Variety body & rocker color

Rating

15A/125VAC

10A/250VAC

Dielectric Strength

1500VAC, 1 minute

Insulation Resistance

100M Ω 500VDC

Double insulation

Operational force

600 $\pm$ 150 gram

Agency Approval

UL、CSA、TUV、CQC

Electrical life

Over 10,000 cycles

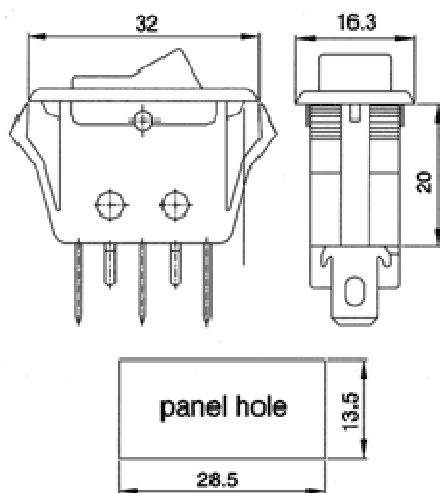

Mounting Type

Snap in

Physical Dimensions in mm

All dimensions without tolerance are for reference only. In the interest of improved design and performance, JMB reserves the right to make changes in these

specifications.

带开关系列过载保护器

82 系列

Description

- Single pole
- Optional illumination
- .25tab or soldre lug
- Variety body & rocker color

Rating

15A/125VAC

10A/250VAC

Dielectric Strength

1500VAC, 1 minute

Insulation Resistance

100M Ω 500VDC

Double insulation

Operational force

600 $\pm$ 150 gram

Agency Approval

UL, CUA, TUV CQC

Electrical life

Over 10,000 cycles

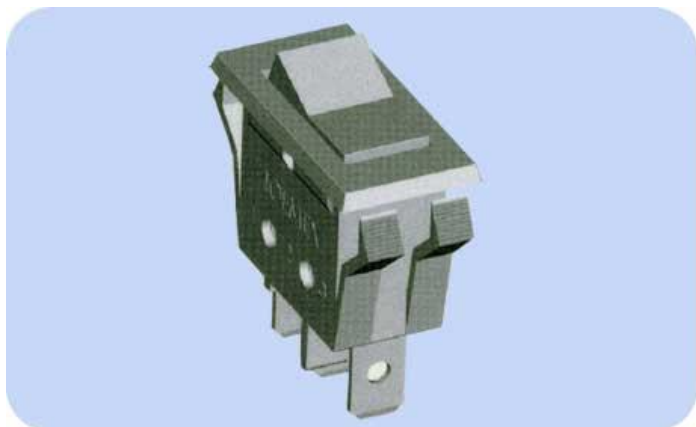

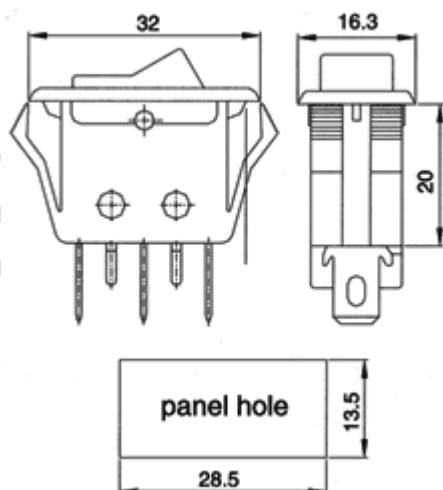

Mounting Type

Snap in
